

THINKING BIG, LEARNING BIG

Connecting Science, Math, Literacy & Language

**MARCH 19
2:00PM**

**COMMUNITY
ROOM**

This program is
sponsored by the
The Friends of the
Mountain View Library

Learn fun, easy and inexpensive activities that increase a sense of discovery and lay a foundation for increased comprehension. Build math and science skills at home while playing games. Designed for children ages 3 to 8.

Marie and Tim, Teachers at Mountain View Parent Nursery School, and Bobbi Weesen-Baer, Children's Librarian, will present activities from their new book, ***Thinking BIG, Learning BIG***.

Register online at: <http://libraryxo.org/thinking>
